

Heidi G. Sadecky, PCC

Executive Coach & Consultant

Heidi Sadecky equips leaders and teams to lead with integrity and authenticity, handle conflict with competence, and take action toward personal and professional goals. Her approach enables personal reflection and insights; new commitments and new behaviors.

In her role as coach and facilitator for Third River, Heidi helps senior leaders create a coaching culture by applying Serving Leadership practices. She provides a sounding board to practice candid and difficult conversations, while teaching methods of fostering hope, realistic optimism, and confidence.

Heidi is a highly trained executive coach with over 30 years of combined corporate, executive coaching, and consulting experience.

Heidi is among a select few coaches with a Lean Six Sigma Green Belt and is certified in emotional intelligence, dynamics of conflict, conversational intelligence, and the GALLUP StrengthsFinder. She is passionate about working with leaders from the inside out for lasting change. She is credentialed through The Townsend Institute, holds a Masters Degree in Organizational Leadership and is a Professional Certified Coach with the International Coaching Federation.

“Striving for success in results and relationships is the difference between mediocre outcomes and excellence in any team or organization.”
